RESPONSE UNDER 37 CFR 1.111

Dear Sir:

In response to the Office Action of October 19, 2005, please amend this application as follows:

In the Specification:

Please amend the specification as per the attached replacement paragraphs.

In the claims:

Please amend the claims as per the attached amended claim sheets.

In the drawings:

Please amend the drawings as per the attached amended drawings.

REMARKS

In response to the Action mailed 10/19/05, "Claim Objections," please see the attached amended claim sheets. Claims 21-26 and 31-36 have been renumbered herein as claims 12-23 as indicated by the Examiner. Claims 1-13, 21 and 22 (which claim 22 Applicant believes was intended by the Examiner instead of claim 23) are amended herein as per the Examiner's suggestion. (The Examiner found the reference to "inboard" and "outboard" confusing because there was no reference frame. Although the inventor submits that one skilled in the art would know that inboard and outboard are referenced to the fuselage, as per the Examiner's suggestion
